2019 choice outstanding academic title in life of the indigenous mind david martínez examines the early activism life and writings of vine deloria jr 1933 2005 the most influential indigenous activist and writer of the twentieth century and one of the intellectual architects of the red power movement an experienced activist administrator and political analyst deloria was motivated to activism and writing by his work as executive director of the national congress of american indians and he came to view discourse on tribal self determination as the most important objective for making a viable future for tribes in this work of both intellectual and activist history martínez assesses the early life and legacy of deloria s red power tetralogy his most powerful and polemical works custer died for your sins 1969 we talk you listen 1970 god is red 1973 and behind the trail of broken treaties 1974 deloria s gift for combining sharp political analysis with a cutting sense of humor rattled his adversaries as much as it delighted his growing readership life of the indigenous mind reveals how deloria s writings addressed indians and non indians alike it was in the spirit of protest that deloria famously and infamously confronted the tenets of christianity the policies of the bureau of indian affairs and the theories of anthropology the concept of tribal self determination that he initiated both overturned the presumptions of the dominant society including various indian experts and asserted that tribes were entitled to the rights of independent sovereign nations in their relationship with the united states be it legally politically culturally historically or religiously

india gained independence in 1947 and became a sovereign republic in 1950 when the british left us in 1947 they left us unified as opposed to the many kingdoms and rulers that existed here in addition to atrocities and unfair practices the british colonial era also brought to india education laws railways victorian architecture and other infrastructure and perhaps most notably the english language

from sherman alexie s films to the poetry and fiction of louise erdrich and leslie marmon silko to the paintings of jaune quick to see smith and the sculpture of edgar heap of birds native american movies literature and art have become increasingly influential garnering critical praise and enjoying mainstream popularity recognizing that the time has come for a critical assessment of this exceptional artistic output and its significance to american indian and american issues dean rader offers the first interdisciplinary examination of how american indian artists filmmakers and writers tell their own stories beginning with rarely seen photographs documents and paintings from the alcatraz occupation in 1969 and closing with an innovative reading of the national museum of the american indian rader initiates a conversation about how native americans have turned to artistic expression as a means of articulating cultural sovereignty autonomy and survival focusing on figures such as author director sherman alexie flight face and smoke signals artist jaune quick to see smith director chris eyre skins author louise erdrich jacklight the last report on the miracles at little no horse sculptor edgar heap of birds novelist leslie marmon silko sculptor allen houser filmmaker and actress valerie red horse and other writers including joy harjo leanne howe and david treuer rader shows how these artists use aesthetic expression as a means of both engagement with and resistance to the dominant u s culture raising a constellation of new questions about native cultural production rader greatly increases our understanding of what aesthetic modes of resistance can accomplish that legal or political actions cannot as well as why native peoples are turning to creative forms of resistance to assert deeply held ethical values

only when we transform our minds can we break the chains of our mental enslavement and find true liberation from our misperceptions about race crime and justice social commentators and scholars have presented numerous theories on these topics but while all lament the horrors associated with discrimination and racism few so far have proposed a viable way to escape these sufferings by taking a critical look at the writings of novelists social commentators and scholars in the fields of sociology criminology criminal justice black studies philosophy and law professor leon e pettiway presents a series of essays that provide a path that liberates us from these sufferings in doing so he provides a unique perspective that reframes the social realities of racial membership and institutional racism in the us and how they impact our perceptions of crime and justice buddhism and race are essential elements of these discussions but pettiway s commentary is also informed by an afrocentric perspective in

these ways pettiway examines our thoughts concerning race the causes of crime and the administration of justice he uses these frameworks to demonstrate how our current modes of thinking reinforce and perpetuate white supremacy influence our scholarly endeavors and frame today s public policies and social agendas in only for the brave at heart essays rethinking race crime and justice readers will 1 learn new ways of thinking that can liberate our world from injustice 2 assess the ways we create the realities of race crime and justice 3 explore how love and compassion lead to meaningful actions that can reduce human suffering pettiway has spent his career as an academic and buddhist monk reflecting on and writing about the african american experience only for the brave at heart attempts to create an intellectual movement that reimagines how we think about the perceived differences that fracture our society and disenfranchise so many in the end only for the brave at heart is a critique and commentary on social justice this powerful collection of essays about discrimination and racism will prove to be one of the most important books about race in america today

this new four volume encyclopedia is the most comprehensive and up to date resource available on the history of native americans providing a lively authoritative survey ranging from human origins to present day controversies from the origins of native american cultures through the years of colonialism and non native expansion to the present encyclopedia of american indian history brings the story of native americans to life like no other previous reference on the subject featuring the work of many of the field s foremost scholars it explores this fundamental and foundational aspect of the american experience with extraordinary depth breadth and currency carefully balancing the perspectives of both native and non native americans encyclopedia of american indian history spans the centuries with three thematically organized volumes covering the period from precontact through european colonization the years of non native expansion including indian removal and the modern era of reservations reforms and reclamation of semi sovereignty each volume includes entries on key events places people and issues the fourth volume is an alphabetically organized resource providing histories of native american nations as well as an extensive chronology topic finder bibliography and glossary for students historians or anyone interested in the native american experience encyclopedia of american indian history brings that experience to life in an unprecedented way

broadens the scope and meaning of american indian political activism by focusing on the movement s early and largely neglected struggles revealing how early activists exploited cold war tensions in ways that brought national attention to their issues
